IELTS vocabulary that students
can use to improve your IELTS
score.**

What Is Vocabulary words?

Vocabulary words refer to the set of words that an individual knows and can use to communicate effectively. It is important for various aspects of communication, including reading, writing, speaking, and listening. Vocabulary words can vary based on education level, age, and exposure to different languages and cultures. Building a strong vocabulary involves actively learning and using new words in various contexts, such as reading books, engaging in conversations, and practicing writing. It is a lifelong process that requires dedication and persistence to improve one's vocabulary.

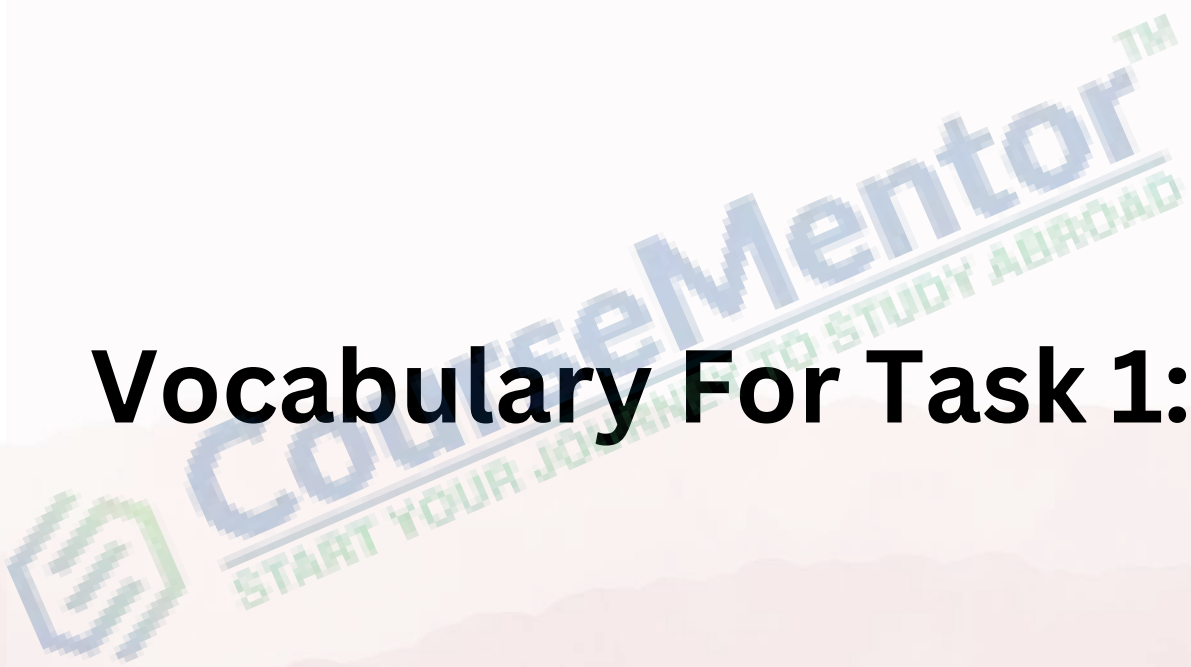

Vocabulary Words For IELTS pdf

Vocabulary words for IELTS Writing
